PROFESSIONAL SUMMARY

Computer Science fresher with practical exposure to Python, SQL, Power BI, Excel, and data analysis. Experienced in building data dashboards and web applications, working with databases, and exploring AI-related tools. A quick learner with problem-solving skills who is eager to contribute to data analytics, business intelligence, or web development projects.

TECHNICAL SKILLS

Programming: Python, JavaScript

Databases: MySQL, Oracle

Data & Visualization: Power BI, Microsoft Excel, Pandas, NumPy, Matplotlib

Web Development: HTML, CSS

Tools & Platforms: GitHub, VERCEL ,AWS

PROJECTS

Restaurant Billing System & Power BI Analytics

- Building a restaurant billing workflow with a frontend and Supabase-backed data storage for orders, items, quantities, prices, and payment records.
- Planning a Power BI dashboard to analyze sales performance, best-selling items, peak business hours, and sales trends from the stored transaction data.

Harinee Photography — Photography Website

- Photography website project intended to present the studio's work and services through a clean, visually focused online portfolio.
- Designed to help visitors explore photography work and find business contact information.

Sales Performance Dashboard

- Created a MySQL database and connected its data to Power BI to build a dashboard for sales performance visualization and analysis.

Password Masking with Python

- Built a Python project for password masking using encryption and decryption keys.

EXPERIENCE

Freelance Web Developer | 2026*

• Built websites for two local business clients: a salon and a photography business.

• Worked directly with clients to understand requirements and update website content and layout based on feedback.

• Developed responsive pages using HTML, CSS, JavaScript, and React; used GitHub and Vercel for version control and deployment.

• Handled live website setup and domain configuration, and practiced basic on-page SEO for the photography website.

EDUCATION

B.Sc. Computer Science — D.G. Vaishnav College, Chennai | 2023–2026

- Presented a paper at an international conference on Artificial Intelligence in Automation.

Higher Secondary (12th) — Govt. ADW HR Sec School, Meenambakkam | 2023

SSLC (10th) — Cantonment Board High School, Pallavaram | 2021

CERTIFICATIONS

- Microsoft Power BI for Beginners — Simplilearn
- Introduction to SQL — Simplilearn
